About us

Restored by Grace (RBG): Empowering Widows, Widowers, and Single Parents with Hope and Support

Restored by Grace (RBG), a Christian CIC organization based in Milton Keynes, U.K. The charity was founded in 2017 by Mrs. Seyi Oyedeji. Mrs. Seyi Oyedeji who was a young widow and mother years ago, believed her life had come to an end. Today, she is grateful to God for His love and her family's support. It is this experience that fuels her passion to help other young parents who find themselves in similar situations.

The charity is dedicated to providing solace and inspiration to those facing the challenges of widowhood, single parenthood and separation. With a deep personal understanding of loss and the desire to assist others in similar situations, Mrs. Seyi Oyedeji established RBG to support individuals aged 25-55 as they navigate different phases of life.

RBG's core mission is a compassionate and practical approach to providing much-needed support and empowerment to widows, widowers, and single parents during challenging life transitions. It acknowledges the

importance of not only helping these individuals regain their confidence but also ensuring the well-being and stability of their dependents.ain their confidence following the loss of a spouse due to death, separation or divorce by offering support and encouragement. RBG aims to empower these individuals to strive for stability and create a brighter future for their dependents. RBG seeks to collaborate with other organizations, charities, and local authorities to amplify its impact within the community.

The initiatives

RBG has implemented various initiatives to fulfill its mission including the annual RBG Concert, the Inspiring Young Widows/Widowers and Single Parents (IYW2SP) community outreach program and the RBG Community Outreach project.

RBG Annual Concert

The RBG Annual Concert held every year in Milton Keynes, U.K. offers a welcoming and relaxed atmosphere for people of all backgrounds and ages to come together and worship the Lord Jesus.

Since its inception in 2017, the concert has attracted attendees from across the U.K. and abroad. The concert provides an exciting platform for renowned Christian artists to minister through music and raise awareness about the challenges faced by widows, widowers, and single parents.

At every event, widows, widowers and single parents are celebrated which is accompanied by presentation of gifts.

Objectives

- ❖ To gather people together annually for the purpose of rendering true worship to God with ministrations from Christian artists.
- ❖ To support and encourage young and upcoming Christian artists by providing a platform for them to showcase their talents.

- ❖ To build a community of young widows, widowers and single parents where there is help and support for one another.

Beauty for Ashes - IYW2SP

Inspire Young Widows/Widowers and Single Parents (IYW2SP) is a community outreach program aimed at providing support and inspiration to individuals aged up to 55 during their most difficult times.

By offering counseling, training workshops, financial guidance, and career advice, IYW2SP helps young widows, widowers, and single parents rebuild their lives, regain independence, and fulfill their true potential. There's also an annual event for men themed "Unmasked" (Men engaged for purpose). It's an evening set to inspire, and connect with other like-minded men.

Objectives

- ❖ To reach out to young widows/widowers and single parents who need support.
- ❖ To support and inspire them to live independent lives, get back to their feet and live their full potential.
- ❖ To support their dependents and help to enhance stability in their homes
- ❖ To partner with other organizations, charities, local authorities, etc. in the interest of young widows/widowers and single parents in our community.

RBG Community Outreach

The RBG Community Outreach project is another crucial aspect of the organization's charitable work. It offers free support services, including counseling, training workshops, financial advice, and career guidance to young widows, widowers, single parents, and their dependents. Through this initiative, RBG strives to foster a sense of community and mutual support among those facing similar challenges.

RBG is open to collaborations and partnerships with organizations, authorities, and individuals who share the vision of empowering and supporting young parents and widows/widowers.

Sincere gratitude

Years ago, as a widow and a young mother, I thought my life had come to an end. I had no one to turn to. With hindsight, I am grateful to God for His love and to my family for their support all those years.

In the midst of this, I realized and understood the pain of young parents who find themselves in similar situations, no husband or wife to call on in time of need, no emotional support and often, no financial support.

I have since nurtured this burning desire which came to life in 2017, ever since then, Restored by Grace keeps soaring to higher levels. Lord I am grateful.

The challenges faced by single parents and young widows/ widowers is better imagined. I ask that you join me to pledge your support to this course so that together, we can help to build strong mothers and fathers who find themselves in difficult situations.

I want to use this opportunity to express my special thanks to you for gracing this occasion despite your busy schedules.

To my ever supportive spiritual parents, Pastor Sola and Pastor Tumise Ewedemi, I am so grateful for all your prayers and support.

I am indeed very grateful to all our partners/sponsors for their continued financial and moral supports.

Finally, an event like this would not have been possible without a highly dedicated and motivated team. I would like to extend my gratitude to RBG organizing committee for their involvement, and willingness to ensure all tasks are perfectly executed.

To partner or sponsor some of our event, please send an email to rbgconconcert@gmail.com.

Once again, thank you all for joining us to today. It's been an immense pleasure. May the Lord continue to keep you and give you peace always in Jesus mighty name.

I wish you all of God's blessings and safe travels to your various destinations.

Details on how to get in touch with me are below;
